- Editor:** Dr. Shahida Wizarat, Dean CESD, HOD Economics, Director Research and Chief Editor, Institute of Business Management (IoBM).
- Reviewer A:**
 - Detailed Comments:** "This paper is quite interesting, especially on post-pandemic condition"
 - Detailed Suggestions:** "The author should summarize the findings on table"
 - Final decision of reviewer is::** "Accepted with revision"
- Reviewer B:**
 - Detailed Comments:** "Overall, the research topic and result are quite interesting, but the authors should consider and revise some of the comments to increase the quality of the paper and more contribute to the literature and society"
 - Detailed Suggestions:** "The authors should remake the abstract section to be more interesting in order to grab the reader's attention and also write this paper in a 'scientific style'."
 - Additional Comments:** "In some parts of the paper, still lack of literacy. Authors should enrich the literacy used to improve the quality of the paper. (Add reputable indexed supporting literature in the last 5 years, 2015-2020)"
 - Additional Comments:** "The research protocols and systematic review method need to be explained and justified in more detail based on supporting literature."
 - Additional Comments:** "The result of the research is interesting, but to be more comprehensive and interesting to describe the results, the authors should develop a framework/model to summarize the results."
 - Additional Comments:** "Contributions of the research for academics, practice, and society is missing."
 - Final decision of reviewer is::** "Accepted with revision"
