Dear
Editorial Board

I sent the revised article with the reviewer form, attached. I hope to fulfill what the reviewer suggested.

Thank you very much
Best regards

Gmail interface showing a reply email from Foresight and STI Governance to Pur Purwanto. The email content includes:

Dear Pur Purwanto,

Enclosed please find reviewer comments to the paper "A Study Of Interactivity With Artificial Intelligence Applications: The Role Of Trust Among Digital Assistant Users". In general the presented study is implemented at high level. Nevertheless the provided proposals on updating would make the publication even stronger. Please inform whether are you ready to update the paper according to the provided suggestions? If so when to expect an updated version?

Sincerely, Marina Boykova
Foresight & STI Governance Editorial Board
